

Council Approves Plan For Municipal Garbage Collection

The property committee of the Newmarket town council Monday was instructed by council to carry out the recommendations of its report on provision of a municipal garbage collection. The recommendations include the purchase of a truck by the town and the hiring of town collectors, the cost to be paid from taxes.

Councillor George M. Byers, chairman of the property committee, said that he and his committee had studied several methods of garbage collection and had decided that the best way was to have a town truck and town employees do the job. "It is the only way in which the town will have control of the collection," he said.

His committee's recommendations asked that tenders be called for on a truck, present system terminated when truck purchased and men hired, that the system be paid for by taxes except for stores, restaurants, etc.

Members of the council appeared to be agreed that any method of garbage collection other than by the town would not be under municipal control. "There is too much loose garbage left around under the present system," said Mayor Dr. L. W. Dales.

CLIFFORD D. PIERCE, MEMPHIS, TENN., PRESIDENT OF LIONS INTERNATIONAL, WILL BE PRESENT AT THE MEETING OF DISTRICT A3 OF THE LIONS CLUB IN NEWMARKET ON OCT. 18.

Vale Challenges Right Of Crown To Include Fee

Joseph Vale, defending Michael J. Forhan on a careless driving charge in magistrate's court here last Friday, challenged the authority of Magistrate J. E. Pritchard, K.C., to include in the assessment of costs against the convicted Forhan a \$10 counsel fee for Crown Attorney Arleigh Armstrong.

Mr. Vale said that Mr. Armstrong is a salaried prosecutor, and that this being the case, he could not see where there was any authority to assess costs to cover a fee for him.

Magistrate Pritchard said that the question had never been brought up before, that it involved a study of the terms of Mr. Armstrong's appointment, and that he was in no position to make a decision on the point at that time.

Mr. Armstrong said that it was the usual and generally accepted practice for this fee to be included in the assessment of costs.

Mr. Vale said that he was prepared to make an issue of the point in order to get a final decision.

Magistrate Pritchard suggested that Mr. Vale prepare a brief on the point to be presented next week, and left the question of costs in this particular instance until that time.

Scholarship Winner Is High In Sports, Piano

Joan Widdifield, 12, the daughter of Mr. and Mrs. Merlyn Widdifield, was awarded one of two scholarships, donated by the Newmarket public school board at the banquet last week of the Home and School Association for last year's entrance class.

Joan also won the silver cup and medal as the outstanding girl athlete as well as passing her grade four piano with first class honors. She was taught in Alexander Muir school by Fred L. Hall and in music by Mrs. J. E. Cane.

Must Show Our Tolerance Not Weakness, Lions Told

"The democracies must learn how to use their tolerance," Major W. B. Wellburn, Salvation Army, told the Newmarket Lions club meeting in St. Paul's parish hall Monday night. "Other nations look upon our tradition of tolerance as an indication of weakness and take advantage of it. We must show that we know how to be tolerant but that we also know how to be firm."

Major Wellburn has spent 20 years in the Far East and has served overseas in two wars. He was with the Canadian forces during the invasion of Italy as chief auxiliary services officer.

Speaking on the subject, Brotherhood of Men, he urged Canadians to reach out the hand of friendship to "the little people" throughout the world and to teach the ways of peace.

"We must learn to temper brotherly love with strength," he warned. He asked Canadians to do their best to acquaint themselves with the citizens of other nations, their problems and their needs.

Major Wellburn was introduced by Capt. Arthur Robinson and thanked by J. B. Bastardo.

Robert McGuire received his membership certificate at the meeting. Ken Ponting played two piano solos.

AMOS HILL LEAVES MANY TO MOURN HIM

A son of Thomas and Annie Hill, Amos Hollingshead Hill died Oct. 8. He was born at Cettley on April 12, 1857. He was one of a family of 13 children.

At an early age he moved with his parents to Newmarket, where his father kept a hotel which was situated on Eagle St., near where the Choppin residence now stands. He was educated here and as a young man emigrated to the U.S.A. and homesteaded in both North and South Dakota.

Returning, he again took residence here and started in business for himself first as a drover, later opening a butcher shop in partnership with a Mr. Chantler, located where the Knowles Grocery now stands.

On Jan. 27, 1887, he married Alice Electa Sharp at Pinkerton, Ont. They spent their entire married life here. At the time of his death, they had resided in their present home for 57 years. The house now stands at 40 Queen St. W., but originally stood at what is now the corner of Millard Ave. and Arden Ave., being moved to where it now stands some 35 years ago.

For a number of years, he travelled for Chas. Denne as a buyer and seller of farm produce. Besides travelling to all the rural and urban areas round about Newmarket, he used to make many long trips to Toronto with his team of horses, usually starting out in the dead of night so as to be at the market-place in Toronto by the next day and returning again for much of the distance in total darkness.

He was employed for a short time with the Office Specialty Co. Ltd. in the lumber yard, afterward taking employment with the Davis Leather Co. Ltd. where he was employed for a period of more than 30 years, retiring three years ago. Had he lived until January, Mr. and Mrs. Hill would have celebrated their diamond wedding anniversary.

In religion he was an adherent of the Quaker faith. Many years ago he was an active member of the Ancient Order of United Workmen when they had a branch lodge here and on many occasions entertained his fellow-members with his fine tenor voice and his elocutions at which he was particularly adept. Later his greatest interests were his garden and his poultry. A poultry fancier, he at one time exhibited at many of the local fall fairs as well as the Canadian National Exhibition. Entries from his garden also took many prizes.

Surviving are his wife, Alice E. Hill, and four sons and one daughter. Two sons and one daughter, Wilmet C. Hill, George R. Hill and Mrs. Z. Harden, live in Newmarket, and two sons in Toronto, Walter F. Hill and Elmer A. Hill. A brother, Albert, of Clermont, Florida, also survives as well as 24 grandchildren and 13 great-grandchildren.

Funeral services are being held today from the chapel of Roadhouse and Rose with interment in Newmarket cemetery.

BOY SCOUTS MARK APPLE DAY OCT. 12

The Newmarket Boy Scouts will have their annual Apple Day Saturday when the Scouts will sell apples on the streets. The proceeds of the apple day, which is recognized nationally, will be used to further Scout activities.

The same day, the Boy Scouts will collect waste paper salvage in Newmarket on the east side of Main St. Householders are asked to bundle their old papers, magazines, cardboard and paper cartons and leave them out for collection.

Dies In Collision On Yonge St. Monday

Mike Barchinski, 52, of Davis Dr., Newmarket, died Oct. 7, when his car collided with a second car. Two other persons, passengers in the car, were admitted to York County hospital after being treated by Dr. J. Sinclair of Bradford.

The accident happened on Yonge St. near Holland Marsh on a curve in the road, police said.

Barchinski was formerly a cook in the army and held the rank of sergeant. He received his discharge in May. He was working as a cook in York County hospital.

Surviving are his widow and one daughter.

LEGION MEETS OCTOBER 14

The Newmarket branch of the Canadian Legion will meet in the clubrooms Monday, Oct. 14, at 8 p.m. It is pointed out by the Newmarket executive that veterans in the surrounding district are eligible for membership in the Newmarket branch.

The Newmarket Dramatic club will present its first effort of the season at the Newmarket town hall Thursday and Friday evenings, Oct. 17 and 18, at 8:15 p.m. The play, A Ready-Made Family by Jay Tobias, is a farce although it has been previously advertised as a mystery.

It is a mystery insofar as the cast is concerned; however, for how will George Byers in a leading role keep from smiling for a whole three acts, especially when Jean Duncan lounces up and down in his lap? And how will Miss Eva Barnes be able to hide behind Delbert Gibney? How will Ken Johns be able to speak his lines if he keeps getting soap suds in his mouth? Interest will centre, too, on whether or not Agnes Graham can talk baby-talk convincingly enough to drive her step-father crazy and whether Ronnie Eves will be able to muster enough courage to chase Miss Evelyn Denne and Moire Jackson with an axe.

Although the cast of The Ready-Made Family, all of them members of the Newmarket Dramatic club, joke about the problem ahead of them in their first play, it is any indication, Thursday and Friday nights should be a complete success.

Fred. Lundy, Calif., Returns To Scenes Of Youth Here

The oldest living member of the Lundy family, a direct descendant of Jacob Lundy who settled on a farm on Second St. near the railway track following the war of 1812, Fred Lundy paid a return visit to Newmarket, his first since leaving for California in the spring of 1888.

Mr. Lundy is active for his age of 84, attributing his lively interest in life to his refusal to drink or smoke, and to his business which he described as being constructive. Mr. Lundy has been in the building industry, marketing and fruit business. Now retired, he has spent the past year travelling through the United States and Canada. He paid a short visit to Newmarket in August, leaving for Niagara Falls and returning here a few days ago. He has booked his reservations for California by plane.

Mr. Lundy is not related, he says, to either W. C. Lundy or Fred A. Lundy, former warden of York county, describing himself as one of the East Gwillimbury Lundy's. During his stay here, he has been calling on old friends and relatives, "all three generations," he says with a chuckle.

Mr. Lundy was born on the farm his grandfather had cleared of bush on Second St., the son of Oliver Lundy and Mary Susanna Haines. He was one of 13 children. While a boy, his family moved to a farm on Yonge St. near the hill leading to Holland Landing. He attended school first on Second St. and later on Yonge St. Following the death of his father, he left the farm for California.

He married Ella Bogart, and four children, three daughters and a son, live in California. He has six grandchildren. Among the school friends and relatives he has visited here have been Dr. J. H. Wesley, members of the Cane, Brammer, Bogart and Haines families.

Mr. Lundy ventured that his family was one of the oldest on The Era and Express subscription list. The Era and Express, now in its 95th year, has been received in the Lundy family for over 90 years, starting with Jacob Lundy.

SUDDEN DEATH OF O. V. GANTON SHOCKS TOWN

Known in Newmarket for his interest in community life and for his active efforts on behalf of town organizations, Orville Victor Ganton died suddenly at his home on Court St. Tuesday evening. Mr. Ganton had been active in promoting the amateur show for the Newmarket branch of the Women's Institute last week and early this week took to his bed. Cause of his death was a failing heart.

The funeral service will be held tomorrow from the chapel of Roadhouse and Rose at 2 p.m. with interment in Newmarket cemetery.

Although a semi-invalid in recent years, Mr. Ganton took an active part in the community life. As a reporter for The Era and Express, he covered the activities of the veterans' softball team throughout the summer as well as contributing other stories on local events. Last winter, he wrote a series of articles for the paper which had a large following.

He was promoter of two amateur shows this year, both on behalf of community organizations, and was in touch with numerous other groups. He was a member of the Newmarket Veterans' Association and served on the executive of the association.

During the last election campaign, Mr. Ganton was nominated as councillor by Mayor Dr. L. W. Dales. On learning of the death of Mr. Ganton, Dr. Dales paid this tribute: A good citizen. His interest in the welfare of the community, his enthusiasm and his work on behalf of Newmarket was never ending. He will be sadly missed.

Mr. Ganton was born in Victoria Square, September 7, 1897, the son of the late Thomas Ganton and Mary Jane Monkhouse. At the age of seven, his family moved to Newmarket where he attended Alexander Muir public school and for a short time, Newmarket high school. After leaving school he was employed at the Davis Leather Co. Ltd., leaving there at the age of 17 to enlist in the army. He served in the 127th battalion, being discharged after three years of overseas service because of wounds. After a year in Newmarket, he went to Oshawa where he was employed by Robinson Leather Co. While in Oshawa, he led the regiment band. He returned to Newmarket in 1927 where he led the Newmarket band until 1931 when he was taken ill.

He was in the Weston sanitarium for nine months. He returned to Newmarket but after five years, a recurrence of illness sent him to Gravenhurst for 26 months.

As a young man, Mr. Ganton was well known as a lacrosse player with St. Mary's, Newmarket and Oshawa teams. While a bandmaster, he led his bands to first honors in three Waterloo music festivals. At one time, he was a member of the Orange Lodge. He was associated with the Presbyterian church.

Mr. Ganton is survived by his widow, the former Ethel Rowden, whom he married in 1921, two daughters, Mrs. Andrew White (Francis), and Mrs. Ray Holbrook (Mary), both of Newmarket, five grandchildren and two sisters, Mrs. Ford Wilson, Newmarket, and Mrs. Charles Murray, Toronto.

EARLY COPY

Advertisers and correspondents are asked to have their copy in early next week because of the Thanksgiving holiday on Monday when the Era and Express will be closed.

300 At First Dance Of Recreation Council

Over 300 were present at the first dance under the sponsorship of the Newmarket Community Recreation Council, assisted by the Newmarket branch of the Canadian Legion. Music was provided by Don Gilkes and his orchestra.

During the intermission, Ish Goodman, outstanding pianist, played three numbers. Charles VanZant and his Slickers were also featured.

NAMED TO EXECUTIVE

Fred W. Cass was elected secretary-treasurer of the Newmarket Veterans' Association at its annual election of officers last week.

Seek Town Costs In Proposed Area For High School

The Newmarket town council again postponed its decision on whether or not it would agree to the formation of a high school area for the Newmarket high school until after another meeting with affected municipalities when estimated cost to be borne by Newmarket could be presented.

The Newmarket high school board has asked that a high school area be formed but the permission of the town council must first be given.

According to the statements of council members, the decision on whether or not Newmarket will enter a high school area will depend largely on whether Newmarket will be called upon to shoulder a heavier school bill. So far, no figures have been presented on the probable cost to Newmarket.

Principal J. W. Lockhart told council members Monday night that the high school area would provide that: taxes within the area would be paid towards the upkeep of the one school instead of being paid to support other schools in other parts of the county; it would guarantee a school which could afford a complete secondary school education including agriculture, vocational, home economics, commercial and academic work;

Students outside of Newmarket would have a better chance of receiving a good secondary school education; members of the school board would be representative of the area.

He said that as part of the formation of a school area, better transportation to the school would have to be provided.

Councillor Joseph Vale said that the Newmarket high school had a sufficiently high enrolment, 350, to afford the complete secondary school curriculum at the present time. "Whether we form an area or go on as we have been doing, we have the same advantage," he said.

"It is not a question of the advantages since we have them either way, but whether or not Newmarket will have to pay more in a high school area," said the town solicitor, N. L. Matthews, K.C.

"Don't forget that Newmarket is a growing municipality and there will be an increasing number of students for the school," said Mayor Dr. L. W. Dales.

The proposed high school area would include parts of Whitchurch, King, East Gwillimbury and North Gwillimbury. Members of the Newmarket council will meet with council representatives from other municipalities at an early date to discuss possible financial arrangements.

Rising Costs To Farmer Contribute To Milk Jump

W. H. Wilmot, Sharon, secretary of the Ontario Milk Producers' League, commenting on the increased price of milk across Canada, pointed out this week that production costs to the farmer have increased out of proportion to the return on milk at the former price.

The increase in milk prices to the consumer was caused by the consumer assuming directly the 55 cents per cwt. milk subsidy which was formerly paid by the federal government and which was discontinued Oct. 1, plus an increase of 45 cents per cwt.

Mr. Wilmot said that farm labor costs had risen as high as 80 percent over the pre-war standard. In 1939, farm help was receiving about 25-30 cents an hour with room and board, according to Mr. Wilmot. "They now receive 45 cents an hour and more," said Mr. Wilmot.

"The quality of milk has also improved greatly since before the war," said Mr. Wilmot. He pointed to the increase of 124 percent in farm implement costs as an additional burden to the farmer.

Harold D. Ghent, manager of the Newmarket District Cooperative, said that the price of feed has risen during the war. "In 1941, barley chop sold for \$30 a ton. At present it is \$35 a ton," he said. "Oats and barley chop have risen from \$30 to \$37 a ton. Salt has risen five cents a cwt. and wheat and barley chop has risen \$6 a ton to \$38."

TO RECEIVE MEDAL, SCHOLARSHIP OCT. 28

On Monday evening, Oct. 28, at Convocation Hall, University of Toronto, the Conservatory of Music will present the silver medals to the students winning these honors. This will be followed by a reception at the Royal Ontario Museum.

In recent examinations, Joan Gibson, a pupil of Mrs. J. E. Cane, won the Harris scholarship of \$25, presented by the Harris Music Publishing Co., and the silver medal from the Conservatory of Music. These are given to the pupil obtaining the highest marks in the province for grade 2 piano.

Films To Be Shown At Sharon Hall Oct. 16

The Newmarket East Radio Forum and other community organizations associated with York Federation of Agriculture, are sponsoring a national film board movie at Sharon hall on Wednesday, Oct. 16, at 8 p.m.

Soils Of Tomorrow, The Story Of Wheat and The Life Of Sir Ernest McMillan are among the pictures to be shown.

Support Children's Aid Warden F. G. Gardiner Urges

A plea for support to the Children's Aid Society of York County was made by the warden of the county, F. G. Gardiner, K.C., at the meeting of the Newmarket Lions club in St. Paul's parish hall Monday night. "It is your society, working on your behalf," he said. "I ask for your support in maintaining it."

Mr. Gardiner paid tribute to J. O. Little, one-time warden of the county and a member of the board of the society, as one who "had helped so much during the years," and to Mrs. Howard Cane as another worker for the society who had been unsparing in her efforts on its behalf.

Describing the work of the society, Mr. Gardiner pointed to the \$52,000 asked of the county in 1936 compared to the \$165,000 sought from the county this year. "Our work is growing because the county is growing in population," he said.

Of the 2,000 children under the care of the society, half of them are direct wards of the society while the other half is under the supervision of the society. "It is among this second thousand children that the society does its best work in keeping the children in the homes in which they belong," he said.

LET US GIVE THANKS

This is a season of beauty when the brilliant foliage of elm and maple, and the crimson of the sumach are a vivid contrast against the soft autumn sky. Now the smoky haze softens the outline of distant hills, the air is sharp with the tang of wood smoke and the smell of soil newly-ploughed.

It is a season, too, of contemplation. There is a stillness to these October days and a leisure after summer toil that invites humility towards this blessed earth from which we harvest our needs. The magnificence that surrounds us is a reminder of the smallness of man compared to nature.

But most of all, it is a season of thanksgiving and re-dedication. Our harvest has been good in a land physically untouched by war. No Canadian farmer need fear that in his ploughing he will strike a land-mine such as have been strewn over the face of a continent. Our farm houses are not the raftered-skeletons that dot the landscape of France. Our soil has not been made useless as was that of The Netherlands when the dykes were broken. There is much to be thankful for.

Yet there is much to be done before we are worthy of our inheritance. There must be an end to the dissension that divides our country. There must be a re-affirmation of the principles that made Canada great. We will fully share in the virtues of this great nation only when we have proven ourselves worthy of them.

TOWN BANDS DESERVE SUPPORT

A citizens band is a real asset to any town. Yet like many municipal virtues, it is not always given its due recognition by the powers that hold the purse strings. Too often, the existence of a band is as much dedicated to keeping the wolf from the band treasury as it is to providing that rousing music that tingles the heart's blood and sets even the most listless foot to tapping in rhythm.

Both Newmarket and Aurora have bands of which their respective municipalities can be justly proud. In Newmarket, the band is supported by a miscellany of grants from various organizations. In Aurora, the band is supported by the Lions club. A band is an expensive proposition, as is only befitting a high quality product, and while we cannot speak for the Aurora band, there is no doubt that the Newmarket musicians would welcome a considerable increase in their support.

A band lays claim to municipal support in more than one way. Quite apart from the pleasure it gives its listeners, the band commands support because of the training it gives its members. In a very real sense, a band is a part of the school system in that it provides its members with training in a vocation which can support them and their families.

More important perhaps is the moral training it offers its members. As Mr. J. O. Little, who has for many years carried a large part of the burden of the Newmarket band on his own shoulders, has tirelessly pointed out, there is no juvenile delinquency in a band. Its members are introduced to pleasurable pastime, they learn the meaning of teamwork, which after all, is another word for citizenship, and they learn to accept responsibility.

In every sense of the word, the band is a training ground for good citizens and as such, is entitled to full support of the municipality. The Newmarket band is in serious need of instruments so that it can enlarge its membership among boys. Instruments run into hundreds of dollars. Let us return some measure of the pleasure we have had from the band by helping to finance those new instruments.

TRY LOOKING AHEAD

The war years were green years for the merchants in Newmarket, as indeed, they were for most businesses. Supplies were short but what retail products were available sold like hotcakes week in week out. There are merchants on Main St. who think that this happy condition is going to last and that all they have to do is keep their stores open and the business will come in.

Such an attitude is foolish. The green years are over. Unless Newmarket merchants are prepared to do a great deal more than they have in the past two or three years, Newmarket is going to lose the advantage it now possesses. Already the indications are plain. At one time, most of the traffic bound for the east shore of Lake Simcoe passed through Newmarket. Now the fourth concession of Whitechurch has come into greater use. Sooner or later it is going to be paved. How much of that traffic is going to leave the highway to enter Newmarket's narrow Main St.? Very little. And it won't be long before Davis Dr. will be paved. Then Newmarket will be completely bypassed. What then?

There are merchants who think that because Newmarket is the first major retail centre south of Lake Simcoe, it will continue to enjoy its present prominence. The fact is that the present boom along the south shore is not confined to cottages alone. It will be only logical to have

the services a cottager needs—food, clothing, etc.—provided near at hand. This lake-side competition is going to cut deeply into local profits.

In the past, merchants have shown themselves short-sighted in matters concerning their best interests. Take the rest-room that the Newmarket branch of the Women's Institute has provided. Such a rest-room has long been needed for those who deal in Newmarket stores. In the first six months of its operations, 4,000 made use of its facilities. Yet it was an association independent of the merchants that provided it.

Such examples are multiplied but the most typical of them is the Christmas market. In recent years those concerned with the operation of the Christmas market have yielded to the policy of letting George do it with resulting dividends in the loss of business and good-will while other centres have prospered from Newmarket's apathy.

The present prominence of Newmarket is very much in jeopardy unless the merchants of Newmarket are prepared to act in concert to establish Newmarket as a pleasant centre in which to shop. It can be done but not just by Christmas markets. There must be a campaign, backed by all merchants, to counteract competition along the lake, and to overcome the handicap of a narrow Main St. and the loss of position on a through-traffic route to the lake.

A good Christmas market will make a start for a year-round campaign to attract customers to Newmarket. It can be followed up by farmers' day, a revived fall fair, and similar attractions. The results may not be evident at once but such a policy is the only guarantee of prosperity in the future.

CONSISTENCY IS A VIRTUE

The Royal Canadian Mounted Police arrested farmer pickets during the non-delivery strike in Alberta for interfering with non-striking farmers. In Hamilton, however, where there were upwards to 200 federal and provincial police, no arrests were made among striking steel-workers at the Stelco plant despite the fact that the steel strikers threw a blockade around the plant, letting non-striking workers neither in nor out of the plant.

Here is one reason why the labor legislation that does exist is so little respected in industrial disputes. There is no consistency of enforcement. The authorities responsible for enforcing the law appear to take the stand that it will be enforced where it can. It follows that strikers will do what they can to make it unenforceable, and in the process, commit themselves to further illegal acts. Certainly there can be no respect for law, a quality upon which this country depends for its existence, when the law can be outmanoeuvred on such a large scale as at Hamilton.

Another instance which demonstrates why the law is held in so little respect is found in the statement attributed to the management of the Stelco plant at Hamilton and which was made following the government decision on the wage issue. The management was quoted as saying that it did not consider itself bound in any way by the decisions of the federal referee in the wage discussion.

No striking steelman is going to feel himself bound to any pledge given the federal government if the management is going to ignore the government's decision. There can be no industrial peace unless both parties are equally bound to adherence to the terms of a settlement.

We have pressed in recent weeks for a federal labor code which among other things will be impartial in its enforcement and which will protect each party from unfair acts by the other. What more proof of the need of such legislation is necessary than is found in these two situations.

In Passing

It is being argued by the opponents of milk subsidies that the federal family allowance more than makes up for the increased cost of milk to the consumer. The family allowance was not initiated to pay higher milk prices. It was paid to mothers to help them pay for needs that existed at the time milk was ten cents a quart in Newmarket. Those needs still exist. The increase in milk prices has come as something extra.

The Stouffville Tribune cries for relief from being dunned by the government for statistics. Says the Tribune: "Last week we received a report from the statistical department wanting to know how much coal was burned in the Tribune office, how much electricity and how much oil used. . . . The same statistical department wanted to know how much job printing was done by the Tribune, which may or may not have been a fair question, but when they asked us how much of the total printing was of tickets, wedding announcements, posters, books, bill heads, surely it is going too far."

The small businessman is all too familiar with government enquiries to which he has neither the time nor the bookkeeping facilities to provide a full answer. No consideration at all is given to him in this search for statistics which, as the Tribune notes, could be gathered in simpler ways.

The Ontario government is going to set up a Royal Commission to enquire into the reasons for the present price of milk. The action seems belated. The Ontario government has had warning that the federal government intended to end its subsidies on Sept. 30 since the beginning of the summer. Apparently, it took an aroused public feeling to force provincial action.

As we remember it, the comment of the provincial minister of agriculture, Hon. T. L. Kennedy, on hearing the news that the federal government was ending its subsidy Sept. 30 was to the effect that Mr. Kennedy was not going to pick up the federal government's "hot potato." If Mr. Kennedy had thought in terms of the country's need instead of politics, he might have pressed for a provincial-federal meeting during the summer to consider other means of meeting the rising cost of milk production. The appointment of a Royal Commission now is an empty gesture.

Some Thoughts on Exterior Decoration

Larry, 15, is quite a popular member of the younger set. He is one of the best dancers and never lacks for suitable partners ordinarily. However, he is troubled these days because he doesn't know a single girl he wants to take to a special dinner dance in the city next month.

Larry's mother didn't understand his problem at first and suggested some of the girls he knew. However, not one of these girls suited Larry for this special event. In desperation, Larry did some confiding. He wanted a date he could be proud to introduce to Bill's crowd, not one that looked like a cheap paint job with lipstick smeared on an inch thick. "The girls in Bill's crowd don't look so painted, though they don't dance any better than the ones I know," he said.

Mother suggested that the girls probably thought the boys liked them with brilliant make-up and that it was up to the boys to let them know differently. They might go on strike and not date the girls with too much lipstick. Larry thought the idea a good one but decided it would be easier to let Bill's friends fix him up with a date.

Before the conversation on make-up ended, Larry was talking about older ladies like his mother who really looked better with some color added. "You look much better, Mom, when you get dressed up than when you do in the mornings before you have had time to put on rouge and lipstick," he said. "You look sick without any color. Usually, you don't wear too much though some of your friends are, almost as bad as their daughters."

Perhaps the young girls are just at the age when they feel more grown up than their years. They want some way of looking as grown up as they feel. They don't realize that their own youthful complexions are the envy of their elders who resort to make-up to give themselves a younger look.

Young girls can't be expected to be skilled in the art of make-up since they are without experience in applying it. They might let their mothers help them achieve a natural, becoming complexion if they are so dissatisfied with their present appearance.

25 YEARS AGO

From The Era and Express files, October 7, 1921

Newmarket Fall Fair was an immense success notwithstanding bad weather on the second day. Receipts were \$1,000 ahead of last year and it was definitely the best show in some years past.

"What is a fair wage for unskilled labor?" is a question that has often been asked since the war. After some investigation the Provincial Highway Department has set the fair standard wage for workers in rural parts of the province at 30c per hour.

Mr. and Mrs. Elmer Hamilton were married at Ravenshoe on October 2.

Mr. J. C. Larkin attended two weddings in Toronto on Wednesday.

Mr. and Mrs. R. H. Phillips, Toronto, were guests of Mr. and Mrs. J. E. Widdifield last Saturday.

Among the old town boys from the city who visited the fair Saturday were Messrs. Fred Saxton, W. F. Pegg, Geo. Holmes, Chas. J. Smith, Harold Hughes, Phil Morgan and Walter Jackson.

50 YEARS AGO

From The Era and Express files, October 9, 1896

The North York Fall Fair was held on Tuesday and Wednesday. The weather was bad and the society went \$200 in the hole.

While coming from the fair grounds on Wednesday evening, a buggy occupied by three men was upset at the corner of Prospect Ave. and Timothy St. on account of fast driving and the occupants were thrown out. One of them named William Marles was badly hurt, but as far as we can learn no bones were broken.

The chairman of the electric light committee deserves great praise for pushing the work through with such rapidity that the eastern half of the town, including the fair grounds, was well lit by electricity on Tuesday night.

Miss Flo Playter was visiting in Toronto last week.

Miss Lizzie Armstrong, Bradford, is spending a few days in town.

THE COMMON ROUND

By ISABEL INGLIS COLVILLE

WE'VE BEEN TO THE FAIR

There is always something about the thought of a fair that intrigues us—we may see something we never saw before; we will see many things worth seeing; we will see our friends; and, in the case of group sponsored fairs, we have a chance to contribute to worthwhile causes.

All these reasons—and others—made our trip to the W.I. sponsored fair in Newmarket highly enjoyable and profitable in many ways.

In spite of restrictions imposed by wartime shortages, one found many useful and very lovely articles for sale—and also succulent ones—of this more anon.

After visiting the exhibits, we mounted to the auditorium and found the stage so beautifully decorated it was a pleasure to look at it—for a stage unadorned can be a terribly depressing sight.

Mrs. Armstrong welcomed us in a few well chosen words, and told of the co-operation of the mayor and council in the matter of the W.I. rest-room. She said that although they did not always see eye to eye, the differences were soon adjusted. She then called on Mayor Dales to speak.

The mayor spoke of his pleasure in being present; of his admiration for the W.I. work and especially of their enterprise in establishing the rest-room. He then declared the fair open and Rev. G. A. Stone led us in prayer.

A musical program followed, under the direction of Mrs. J. E. Cane. It proved to be a real treat to music-lovers and lovers of young people.

The opening number was a piano duet well rendered. A double trio followed, the voices so well balanced and harmonious that it was delightful to listen. Then Bird Songs At Eventide was sung by a chorister so small one might almost have fancied she was a bird assuming human form for the occasion, and certainly no lark would need to be ashamed to claim her as kin, for her voice was as high and clear and sweet as any bird's. She sang Lady April as a much demanded encore.

A piano solo, excellently played, followed, and then to my delight a boy sang Danny Boy and Duna with expression and very fine range.

Then Mrs. Armstrong called on Mr. McCulley and we were treated to a talk which took us over Canada's hills and vales and prairies, waterways and airways. He told us that his trip to Vancouver had forever forbade his return to eastern isolation.

Mr. McCulley said that Canada is only beginning to realize her own riches and potential power. He emphasized that Canada must export one-third of all production and be prepared to buy back its equivalent in foreign markets. We must prepare, work for, yes, demand, that kind of trade policy.

He asked how long it would be before we realize that between 11 and 12 million people have no right to keep this won-

MICHAELMAS DAY

By GOLDEN GLOW

All of us have seen and loved the Michaelmas Daisy, the flower that blooms practically the last of our autumn perennials; but have we ever stopped to wonder why it is called by that so beautiful name, and how it happened?

You know, of course, the flower to which I refer—the wild aster, as many call it, that is a perennial in our garden, and has a counterpart in the woods, making a lovely contrast with the yellow and orange that predominates at this season. "Purple and Gold," our high school colors! The golden maples overhead and the ground starred with the Michaelmas Daisy.

Well here is the reason, so far as I know it. You see, Sept. 29 is the feast of St. Michael and all Angels, according to the calendar in the Book of Common Prayer, commemorating the Archangel St. Michael. Michael and mass—Michaelmas.

St. Michael is a very favorite saint with everyone. He is mentioned in the Old Testament and in two places in the New Testament, and in every case he is spoken of as a champion of us on earth. He is mentioned in Daniel 10, 13 and 21, and again in Chapter 12 where it says "and at that time shall Michael stand up—the great prince that standeth for the children of the people."

It seems to be a habit of folks to name trees or flowers after saints as in this connection. It is a beautiful thought, don't you think?

And I understand that over in England farmers and crofters expect everyone to settle up outstanding debts at Michaelmas and they try to also settle their obligations—just as the Chinese do on their New Year in February. China New Year—I have written about having seen a China New Year in B.C., if anyone recalls it. I assure you it is quite an experience. But I don't think our people make such a fuss as that over Michaelmas Day.

Mrs. Armstrong, in thanking Mr. McCulley, said that he had opened new avenues of thought and effort, and that women are only beginning to realize what power lies in their hands. The tiny miss, who so delighted us before, now sang Mighty Like A Rose. The double trio sang again and a small lad with supporting chorus sang The Bells Of St. Mary's with good tone and effect. The descant, written by Mrs. Cane, added to the effect.

Mrs. Armstrong thanked all those who had helped to make the fair and the program such a success. She said the proceeds were for W.I. work and the rest-room project. Four thousand had enjoyed its comfort in the six months now ended, but we must remember it takes money to finance such a project. The program concluded with God Save The King, after which Mrs. Skinner, Mrs. Rose and I went in search of that succulent dough-nut commonly as the dough-nut. The ladies, who in spite of the heat, long standing, perverse steves and other difficulties, had worked since early morning were still trying to satisfy the demand for dough-nuts.

We looked at the long list of names preceding our own, and we looked at each other and little Elaine, and home and dough-nuts fought a battle. Dough-nuts won, and we stood on one foot and then on the other and watched paper bags accompanied by their owners go off triumphantly, and at last, we too grasped our prizes and went forth to delight our waiting families.

I forgot to mention that at the conclusion of the program we enjoyed a cup of tea and dainty little cakes—very refreshing. I am very sorry I cannot report on the amateur show; we had tickets, but both nights we had filled with community "mists" and we had to absent ourselves. Anyway, the fair was a triumphant success.

THEY'RE BACK...

TO SERVE YOU

WHEN YOU VISIT your bank these days you are likely to see faces you have long missed—members of our permanent staff back from active service. Almost five thousand are "back on the job" while others are recovering from wounds and others are still with the forces.

These gallant men who left the banks to enlist and have come back have shown themselves to be alert, self-reliant, eager to get on with the business of living.

Some of them have been away for five years or more. Many have won distinction. All have acquired themselves with honour. All are welcome back.

In your bank these men find appreciation, security and opportunity for advancement. Our plans for them express our sincere desire that, in banking service, they may find ample scope to make their further contribution to this nation's security.

NEWMARKET BRANCH
H. E. LAMBERT, MANAGER

DOWN THE CENTRE

By AB. HULSE

A familiar face will be missing
from the sports picture in these
parts for good. It's Tommy
Myers of Pickering College who,
for the past six years, has played
an active part in the athletic
whirl in North York. A native
of Rosetown, Sask., Myers has
taken over the management of
his father's extensive farming
interests due to the latter's ill-
ness, and has severed his con-
nections with the east.

We first remember seeing
Tommy in action with Pickering
College in the 1939-40 season
when he played for Newmarket
Juniors, and last season with
Newmarket Merchants. Mean-
while, he graduated from Pick-
ering but stayed on as an assist-
ant to Reg. Blackstock, looking
after hockey and assisting at
football. Tom didn't produce
any championship teams, not
having that kind of material to
work with, but he always had
his boys fighting hard, playing
cleanly and knowing what the
score was. Myers' personality
needs no comment, and in leav-
ing the district he has the good
wishes of hundreds of well-wish-
ers and admirers.

Jack Atkinson, the promising
all-round kid athlete at Rich-
mond Hill, added to his laurels
last week by taking the junior
track and field title at Richmond
Hill high. Atkinson annexed nine
firsts, broke two firsts, and
cracked a North York inter-
scholastic mark in the discus
throw by hurling the heavy
platter 119 ft. 5 in.

Young Atkinson, big and
husky for his age, is a great per-
former in every field of sport.
He played hockey for Aurora
midget hockey champs, joined
Aurora in the O.B.A. midget
baseball playdowns, and has
been playing lacrosse with the
Hill midgets. Jack has no swell-
ed head and uses his weight
judiciously on the ice against
smaller opponents. We predict a
great future for the lad.

Barry Collard, ace pivot play-
er of the district basketball
teams, annexed the senior field
title with ease. The Hill school
will be really powerful in bas-

ketball this season with Collard,
Neal, Stewart and Moore back
from the lone quintet they used
last winter, and Sandy Neal,
Mac Clement and others moving
up from the junior squad.

Fat Milne, former Aurora
baseballer and hockeyist in the
minor series, who performed for
Thorold Mountaineers in the
finals of the Ontario Midget as-
sociation against his old Aurora
team-mates, has turned his tal-
ents to rugby this fall and aside
from playing collegiate football,
is doing a competent chore at
inside wing for Thorold Juniors
of the O.R.F.U. series. Young
Gabriel, who played for Thorold
along with Milne, is at quarter-
back for the Thorold team.

Rugby finds Jack Bachley, the
blond centre-fielder of Aurora
midgets the past summer, as
substitute half for Upper Canada
firsts in the Prep. School league.
Young Bachley, a newcomer to
Aurora sports, resides during the
summer with his parents in
King township and came to Au-
rora to play with his pals, Keith
Kyle and Jim McDonald. He
was a fast fielder but a bit weak
with the willow.

Ontario minor hockey moguls
have sent out bids for the an-
nual meeting of the association to
be held at the King Edward
hotel on Saturday, Nov. 30. The
organization has blossomed out
from humble beginnings with a
luncheon for the delegates this
year.

Another championship has
been decided. Hold your seats,
chums, this time it's Maple Buds,
who came through in the pinch-
es and eliminated Woodbridge
in the finals of the North York
intermediate lacrosse series.
Woodbridge, which led the
league all season, was odds-on
favorite for the crown, but
after losing at home, despite a
last quarter drive, the team just
failed to click in the final game.

With 1,500 people watching
the game at the Maple sports
bowl last Thursday, the teams
battled to a 2-2 tie by half-time
and it looked as if neither would
break it. Boom went the Maple
team in the third semester, and
before Woodbridge knew what
it was all about, the score was
7-2 for the homesters. Two min-
utes after the final period start-
ed, Al Orr drew a penalty and
Boom, Boom, Woodbridge struck
with a vengeance, running in
four quickies before Maple could
pull up its sox. However,
Woodbridge missed tying the
score on countless occasions
mainly due to the stout goal-
tending of Harry Rumble.

'Little Pete' was magnificent
in time of need and if any
orchids are being handed out, he
gets the first one. Maple just
managed to hang on grimly, and
the fans were all out of breath
when President Charlie Row-
tree handed the Jack Smith
trophy to Manager Cal Miller.
It was easily the best game of
the year, and the Maple boys
are deserving of all the back-
slapping that they can stand.
There was a bit of a "do" to
celebrate, but windbreakers and
a banquet are on the agenda for
the near future.

We've mentioned Harry Rum-
ble up above and here are the
rest of The Champs: Al Orr,
ranga, hard-checking defence
star, the top defenceman in the
district as the season ended; Al
McNair, ex-Orillia Terriers and
field coach of the team; Gordy
Orr, ex-president of York Coun-
ty Junior Farmers, a tireless,
courageous player; Stan Foster,
smooth centre; Roy Thompson,
probably the smoothest home
player in the league who notch-
ed three goals in the final game;
Jimmy Jones, diminutive but
tricky forward; Bill Park, tire-
less ball retriever; Lorne Wells,
husky home player, a ball of fire
around the nets, who journeyed
the last four games from Mus-
koka where he was employed on
an accounting task; Eldon Fier-

heller, lanky and awkward
rookie; Dick Taylor, fiery de-
fence man; Jim Witherspoon,
Harvey Wilson. Jack Denby,
three reliable subs; Larry Coop-
er, the galloping thin man of the
league; Bill Ingram, who ran
miles in the last two games. We
may have missed one or two
used over the season, but those
are the fellows who carried the
load.

Cal Miller must take the
coaching award of the year. The
ex-Richmond Hill star did a
good job, and in the play-offs
his bench direction of traffic
was well nigh perfect. We
mustn't forget brother Mike
Miller, chief rooster Art Wells,
and all the others who made for
a victory combination. It was a
great triumph to field a winning
team in the first year of the
sports bowl. Sonny Rowntree
with three goals headed the
Woodbridge challenge to Maple
supremacy, but for the first
time this year, the cagey Bill
Norton was held impotent.

Midget finals see Maple in the
last stage with a fine little band
of players. Harry Sutton has
his Aurora kids going great guns
and a swell series should result.
Friday night, Maple will visit
Aurora for the second game of
the series, and if a third game
is necessary, it will be played
in Aurora the following Tuesday
night. That will definitely ring
down the curtain for lacrosse in
the district, except for Mickey
Smith's Newmarket experiment,
and it has been a most success-
ful one especially for the fans.
There has been a steady diet of
high-class dishes of their favor-
ite sport at bargain prices and
1947 should really be a big year.

Last week we saw St. Kitts
and New Westminster Salmon-
bellies in action. It was a pip-
peroo for two periods and then
the B.C. boys blew higher than
a kite. Of the four New West-
minster teams we've seen over
the years, this was the slowest.
St. Kitts have real finished per-
formers, artists, tops in their
sphere of sport. Many of the
team, including the Madsons,
Teather, Fitzgerald, McMahon,
played junior lacrosse against
Aurora Rangers in 1934.

Rusty White of Fergus, one of
Canada's best lacrosse players
in his day and one of North
York's best all-round athletes,
was one of the officials, and
quite frankly we thought Eric
was a bit nervous, and was car-
ried most of the game by Maxie
Peart. This is White's first year
as a referee and it was a real
tribute to him to be tossed into
the Mann Cup finals. We had
quite a reunion at the game,
with voices from the past and
not so distant yesterday: Jimmy
Kearney of the Vancouver Prov-

will take place on Oct. 13, at 11
a.m.

The guest speaker will be
Rev. G. B. McLennan, B.A., B.D.,
of Manor Road United church,
Toronto. The music will be
furnished by the Kettleby choir,
a group of singers who are be-
coming very popular in the
churches of the surrounding dis-
tricts.

At the evening service a group
of veterans from the three
branches of the armed forces of
Canada will be present. The
young people were with us at a
special service last May, when
their testimonies and music
proved interesting and inspiring.
Thanksgiving will be observed
at both the morning and evening
services.

LIVE POULTRY WANTED

We are able to pay 28c a pound, live weight, for a limited number of chickens each week. 28c a lb. live weight is about the same as 33c a lb. dressed. A 6-lb. bird alive at 28c would bring \$1.68, the same bird when dressed would weigh about 5 lbs. 5 lbs. dressed at 33c would only bring \$1.65. Sell your chickens to us alive and do away with the work and mess of dressing them. Do not bring birds in unless arrangements have been made in advance. Chickens must average over 6 pounds alive.

MAGISTRATE'S COURT DRIVER IN CUSTODY PENDING SENTENCE

George M. Argue, Cannington, was fined \$100 and costs or three months, in Magistrate's court here Friday when he pleaded guilty to a charge of having liquor illegally. Magistrate J. E. Pritchard, K.C., presided.

A second charge of having liquor in an illegal place was withdrawn. Constable W. R. Hill, Sutton, laid the charges. Michael J. Forhan was convicted of careless driving and fined \$25 and costs. A dangerous driving charge was dismissed.

George Vernon testified that he had been driving south on Yonge St. near the Holland Landing hill when Forhan had passed him, had pulled in front of him, and then swung out again to pass a celery truck a short distance ahead.

He said that another car had then passed him at about 45 m.p.h. and had gone on to pass Forhan, forcing him to cut in behind the celery truck, and had continued on past the truck. In the meantime, Forhan, in an attempt to avoid sideswiping the passing car had swung back in and collided with the back of the celery truck which was only travelling at about ten m.p.h., he testified.

"The passing driver gave no warning with his horn, and went on in spite of the accident. No one got his number," Mr. Vernon said.

John Serra, Toronto, driver of the celery truck, testified that a car had passed him a few seconds before the collision, but that he knew nothing of what occurred until after the accident.

Joseph Vale, counsel for the accused, moved to enter a non-suit on the dangerous driving charge, arguing that the evidence, as submitted by the crown, was insufficient to justify it.

Forhan was rearrested on the lesser charge of careless driving, and the evidence as submitted on the former charge was accepted as evidence on the latter.

Magistrate Pritchard said that he was finding Forhan guilty on the admissions of the accused that he had been passing on a hill, that he was over the solid white line in the centre of the road, and that he had passed a car, turned in and then pulled right out to pass again without looking behind him.

Provincial Constable W. A. Melbourne laid the charges.

William and Henrietta Burns pleaded not guilty to a charge of having liquor illegally. After hearing some evidence, the case was adjourned for one week to allow further witnesses to be contacted by Defence Counsel L. C. Lee, Aurora.

Constable B. Burbidge testified that he, along with Constables Kidd, Wallace and Sanderson, had searched the home of the two accused and found a quantity of beer and some hard liquor.

When the liquor was checked against the permits of persons residing there, it was found that there was no permit to cover two of the cases of beer, and one of the bottles of liquor, according to Constable Burbidge.

Mrs. Burns claimed that one of the cases of beer belonged to her mother, the other to her daughter, both of whom lived there part of the time. She said that she had bought the liquor for her son, Garfield, on a messenger slip.

Constable Burbidge said that the police received every co-operation from Mr. and Mrs. Burns when they called, and that there had been no attempt to hide anything.

Mr. Lee contended that legal possession had been shown, and that the case for the crown had therefore failed.

Magistrate Pritchard adjourned the case for one week, pending the calling of Mrs. Burns' mother and daughter as further witnesses.

Charged by Constable W. Langman with dangerous driving at Aurora. William Lupicini pleaded guilty and was remanded in custody for one week, pending sentence.

Constable Langman testified that he and Chief Constable Fisher Dunham, Aurora, who was off duty at the time, had observed the accused driving on the wrong side of Yonge St., near the main intersection of Aurora at 1.40 p.m. on Saturday. "He was passing cars at about 45 m.p.h. and making no attempt to get back in line. He went about two blocks, on the wrong side of the road most of the time," Langman said.

Lupicini admitted having been convicted in Barrie on Oct. 2 of careless driving on the same day.

"I regard this as one of the most serious cases ever to come before me. It is a case of what is defined as gross negligence," Magistrate Pritchard said.

At the suggestion of Crown Attorney Arleigh Armstrong, accused was remanded in custody for one week.

COURT OF REVISION TO BE HELD NOV. 2

The regular October meeting of the Scott township council was held at the township hall in the evening of Friday, Oct. 4. All members were present.

Communications were read from Old Age Pension Board in reply to resolution of council last meeting; from the Department of Welfare regarding fuel to recipients of mothers' allowance; from the Ontario municipal board in reference to council's proposal to purchase a road maintainer; from Robert Harrison in reference to a cattle pass under the Canadian National Railways on his farm; from the Department of Municipal Affairs in reference to new legislation regarding nominations and elections; from the Consolidated Casualty Insurance Co., renewal of collector's bond.

Council took under consideration the government's proposed by-law for licensing public halls, but the hour being late, the decision was left over to the next meeting for further consideration.

The hydro contract of John W. Meyers was accepted.

Accounts passed were: pay roll, No. 10, labor on roads, \$90.80; W. Hackner, trucking, \$109; Weller tree expert, driving pile and removing tree, \$499.50; Uxbridge township, maintainer dragging, \$206.50; Stead's store, gasoline and oils, \$42; Alvin Risebrough, timber for bridge, \$511.16; Ross Johnson, salary, \$83.30; Ross Johnson, telephone and stamps, \$2.79;

Consolidated Insurance Co., premium collector bond, \$30; H. Pearson, mailing assessment notices, \$50; H. Pearson, postage,

assessment notices, \$18.20; H. Pearson, two days investigating re-assessment, \$10; Municipal World, supplies, \$11.88; Dr. G. W. E. Macpherson, medicines supplied, relief, \$3.50; J. Galbraith, groceries supplied, relief, \$6.83; Mrs. Lockie, milk and medicines purchased, relief, \$7.26; Thos. Kydd, one sheep injured by dogs, \$10; Carl Meyers, one sheep valuation, \$2.

Council adjourned to meet at court of revision at 11 a.m., Saturday, Nov. 2, and council meeting afterwards.

MOUNT PLEASANT

Oct. 3—Fall is here again and farmers are busy finishing up the corn cutting.

Mr. and Mrs. Donald Davidson, Filey Beach, visited Mr. and Mrs. Robt. Davidson on Sunday.

Quite a number attended the supper on Tuesday, and those who missed hearing the Baker Hill Quartet program missed a treat.

Mrs. R. Pollock, Newmarket, is visiting her daughter, Mrs. L. Riddell.

Church service next Sunday will be at 3 p.m. and will continue so during the winter.

SENTIMENTAL

The Scotsman had lost a pound note. Sadly he entered the advertisement office of the local newspaper and handed in the notice he wanted inserted in the Lost and Found column.

The clerk had difficulty in re-training his mirth when he read, "Lost, a one pound note. Sentimental value."

Questions and Answers

GENERAL

- Q** What are Canada Savings Bonds?
- A** Canada Savings Bonds are the successor to Victory Bonds and War Savings Certificates. They are your country's promise to return your money to you at any time and to pay you interest at an attractive rate.
- Q** Why are Canada Savings Bonds being offered?
- A** Because during the war, millions of Canadians learned the savings habit by buying Victory Bonds and War Savings Certificates. A recent survey shows that 82% of them want to keep on saving by a similar plan.
- Q** Is the Government selling Canada Savings Bonds just to raise money?
- A** No. Borrowing needs of the Government can be met by other types of loans. The main purpose of the Canada Savings Bond is to provide Canadians with a convenient way to continue this kind of saving and investment in peacetime.
- Q** Is there any limit to the amount of Canada Savings Bonds that one person may hold? If so, why?
- A** Yes. There is a limit of \$2000 for each individual, but each member of a family may hold bonds up to the limit.
- Q** What is the price of Canada Savings Bonds?
- A** 100%. That is, a \$100 bond costs \$100. If payment is not completed on or before November 15th, 1946, interest will be added to the purchase price.
- Q** In what denominations are Canada Savings Bonds available?
- A** \$50, \$100, \$500 and \$1,000.

CASHING OF BONDS

- Q** Can I cash my bond at any time before November 1, 1956?
- A** Yes, any branch in Canada of any chartered bank will cash your bond immediately at full face value, plus interest at 2 3/4%, upon your identification as the registered holder.
- Q** Can Canada Savings Bonds be assigned or transferred?
- A** They can be cashed, but not assigned or transferred. This is necessary to prevent any individual from acquiring more than the authorized limit.

INTEREST COUPONS

- Q** What interest is paid on Canada Savings Bonds?
- A** 2 3/4%—payable yearly on November 1st from 1947 to 1956, by coupon cashable without charge at any branch in Canada of any bank.
- Q** Are interest coupons registered?
- A** No. They are payable to bearer.

REGISTRATION PROTECTION

- Q** Why is it necessary to register Canada Savings Bonds?
- A** Registration gives protection in case your bond is lost, stolen or destroyed. It is also the simplest way to ensure that individuals do not hold more than the \$2,000 limit.
- Q** In whose name can Canada Savings Bonds be registered?
- A** They can be registered only in the name

- of one individual, adult or minor, up to the amount of the authorized limit.
- Q** Can Canada Savings Bonds registered in the name of a child be cashed?
- A** Yes. Banks are familiar with the necessary regulations.
- Q** Can Canada Savings Bonds be disposed of when registered in the name of a deceased person?
- A** Yes, any bank will supply the necessary information.
- Q** Can I replace my Canada Savings Bonds, if they are lost, stolen or destroyed?
- A** Yes. It is wise, however, to keep Canada Savings Bonds in a safe place, as you would any other valuable documents. In case of loss you should immediately notify the Bank of Canada, Ottawa, of the circumstances.

HOW, WHEN AND WHERE TO BUY

- Q** Where can I buy Canada Savings Bonds?
- A** At any branch of a bank or from an authorized investment dealer, stock broker, trust or loan company—or through the payroll savings plan if this is in operation at your place of employment.
- Q** How do I pay for Canada Savings Bonds?
- A** In any of the following three ways:
1. By payment in full at time of purchase.
 2. By monthly instalments through a bank, trust or loan company.
 3. By regular deductions from pay, where employers operate the Payroll Savings Plan.

8 out of 10 will buy again....

Show 105 Holstein At York Black And White

A total of 105 head of Holsteins were shown by 13 exhibitors at the York County Black and White Day held Oct. 4 in conjunction with Markham fair. Senior and grand champion bull was Montvic Rag Apple Churchill, the winning aged bull shown by Hon. George S. Henry, Todmorden. Reserve senior and grand went to Thos. McGriskin, Agincourt, on the top two-year-old, Rag Apple Toitilla Witzzyde. Geo. C. Jackson, Downsview, took the grand championship for females on the very outstanding dry three-year-old, Lonelm Texal Marie. This animal is by Lonelm Texal Fayne and is, therefore, a sister of the battery of bulls in use by the Maple Artificial Breeding Club. Reserve grand champion female was the first prize milking two-year-old, E. H. M. Florence Fayne, shown by Armac Farms, Maple.

The junior champion female award went to Lloyd Turner, Stouffville, on his winning senior yearling, Velma Rag Apple DeKol, while reserve was taken by Chapman Bros., Weston, on Locust Brae Rag Apple Cora, who stood next to the junior champion in class. Glen Edwa Supreme Hartog was the junior champion bull for Wm. L. Edwards, Schomberg, with reserve going to Hon. George S. Henry on the first prize senior bull calf, Oriole Lodge Dale Stardust.

Although they won no championships, the herd of Whitaker Bros., Downsview, won seven firsts, more than any other herd at the show. These included the classes for dry aged cow, milk-

ing aged cow, milking three-year-old, junior yearling heifer, open get-of-sire, junior get-of-sire, and junior herd. Both the winning open-get and junior-get were sired by Lonelm Texal Fayne.

Altogether the Henry herd accounted for three firsts, one second and one third; that of George C. Jackson, two firsts, three seconds, and two thirds; Wm. L. Edwards, three firsts and one second; Armac Farms two firsts and three seconds; Chapman Bros., three seconds and six thirds; F. D. Reid, Kleinburg, one first and three seconds; Lloyd Turner, Stouffville, one first, one second and three thirds; Thos. McGriskin, one first and four seconds; J. S. Watson and Son, Woodbridge, two thirds; and S. B. Watson, Agincourt, one first.

The judge was Professor A. D. Runions of the Ontario Agricultural College, Guelph.

QUEENSVILLE

Mrs. Rose Brown, Toronto, has been visiting her cousins, Mr. and Mrs. Robt. Leith, for several days.

A number of ladies from the community took a shower to the home of Mrs. Frank Kavanagh on Wednesday afternoon of last week. This was in honor of her daughter, Jean, who is to become a bride in the very near future. Many beautiful and useful gifts were presented which were graciously accepted.

Mr. and Mrs. Cliff Burkholder were visiting in Stayner last week. Miss Ida Burkholder, their daughter, has returned to Toronto.

A number of men from this locality are planning to see the ploughing match at Goderich on October 16.

Mr. and Mrs. Harry Morton and Mr. and Mrs. Lew Rollings visited relatives at Uxbridge over the weekend.

Dr. Geo. Crann and Mrs. Crann were calling on friends here on Sunday.

A lovely shower was given by Miss Jean Cunningham for Miss Jean Kavanagh at the home of Mrs. E. Stickwood. As Mr. Cunningham has been ill, the shower was not held at the Cunningham home. Many beautiful gifts were received from the younger members of the locality.

Mr. and Mrs. Dawson Fierheller and family spent last Friday with Mrs. Fierheller's parents, Mr. and Mrs. Geo. Cole.

Mrs. P. Boag has improved in health since her month's holiday. Mr. and Mrs. Norm Gibney spent the weekend in Toronto.

Mr. Gordon Pearce visited Mr. and Mrs. Wm. Burkholder over the weekend.

Mrs. Miller from Second St. has returned from York County hospital much improved in health.

Miss Mary Marsh has been spending a few days with her sister, Mrs. Byron Aylward.

Mr. and Mrs. Doug Beckett and Mr. and Mrs. Chas. Milsted spent Sunday at Niagara Falls.

Miss Ruth Stickwood has been spending a week at home and has now gone to visit her brother, Howard, at Madoc. Mr. Ralph Stickwood has had an operation for appendicitis.

Mrs. W. T. Huntley was last week at the Conning-Carter wedding. Ross Conning, the groom, is the son of Rev. Cairns Conning who was a former Queensville minister.

Congratulations to Mr. and Mrs. Jack Kavanagh and Mr. and Mrs. Clinton Baldou who each have a new daughter. The Kavanaghs have moved from Jersey to the Aylward house on the corner.

Council Refuses Offer To Buy Mechanic's Hall

Upon recommendation of the property committee, Aurora town council on Monday night turned down an offer for Mechanic's hall made by the present tenants, the Aurora Textiles Ltd., through H. Greenhalgh. No action will be taken until the present lease expires on July 1, 1948, and if it is decided to sell at that time, the present occupants will be given every consideration.

"The price offered was too low in the opinion of the committee, and since we are without a public hall, whatever we receive from the sale of the building should go for that purpose. Under present conditions the amount offered would not go very far," said Chairman Councillor R. V. Smith.

"We are sympathetic to the firm since they have put in many permanent fixtures and improved the premises. At present there are eight or ten girls working and the prospects look good, but we felt we should wait until the lease expired."

"The price offered was probably a fair price in pre-war days, but you couldn't get anything with the money now," said Mayor Ross Linton. "The value of the building has at least doubled, or even tripled by way of replacement."

"I would like to see an appraiser set a price. It is not very satisfactory to make capital investments and not know where you stand," said Deputy-Reeve A. A. Cook.

"We are bound by the lease," said Councillor Smith. "We may be able to come to an equitable arrangement by the time it expires."

Negotiations for the use of the present committee room in the old town hall for rental as a class room to the Aurora public school board were reported as satisfactorily settled at a proposed figure of \$35 a month to take effect as soon as a new teacher is secured.

"It's a bad situation that we haven't even a small committee room for the public use," said Mayor Linton as he urged the property committee to look over any space available for such meetings.

The question of a by-law to consider dealing with the raising of mink in the municipality was placed before council by the board of health which urged either restrictions or prohibition. Council deferred the matter until a later meeting when all members would be present.

"Shall we confine the matter to mink alone?" asked Councillor Dr. Crawford Rose, as council discussed the matter briefly.

Dr. Crawford Rose gave notice of motion that he would on Tuesday, Oct. 14, deal with the licensing of taxis in Aurora at a special meeting. Copies of the by-laws in force in Brampton and Barrie have been secured. In addition to the matters needed to protect the public, Dr. Rose suggested that "uniformity of rates within the municipality" might well be considered. Once the by-law for taxis is passed "an infringement will provide for the permit to be cancelled," Councillor Rose pointed out.

U.S.A. Veteran Sees Little Difference North Of Border

"I don't see any need for boundaries or any difference in the two peoples," said Pte. First Class Joseph Purcell of the U.S. Marine Corps who has been spending a week in Aurora with his brother-in-law and sister, Mr. and Mrs. George Case. A veteran of Guadalcanal and Okinawa, Pte. Purcell was paying his first visit to Canada and he was intrigued with the beauty of the country around Aurora and the friendliness of the Canadian. On Friday evening he was a guest at the October meeting of the Aurora branch, Canadian Legion, and enjoyed fraternizing with the Canadian ex-servicemen.

"Canada stands very high with our people," he said. "We understand each other well and you can depend on the U.S.A. backing you up to the limit in any trouble." Meat was more plentiful in Canada but outside that he couldn't understand soap, catsup, canned goods, toilet paper and liquor shortages in Ontario.

"There is a good supply of all these commodities in the states and we have had our share of strikes too. If we weren't two different countries, I guess we'd never be short of anything."

TAKES FIRST, SECOND IN HALTER CLASSES

Bob Case won first and second in the halter classes for Belgian horses at Beeton fair on Friday. In the Percheron division, William Calhoun of Aurora swept the honors, first and second in the team and halter classes. Elton Armstrong, president of the Aurora Horse Show, judged the classes. He reports the show as having a record attendance, record entries and a large and varied midway.

HELPS CONVEY BAIL

Carol Underhill of Aurora high school was a member of the committee which conveyed the Red Feather Ball last week at Eaton Auditorium. A cheque for \$1,100 was presented to the United Welfare Chest.

TAKES POSITION

Miss Dorothy Clark has accepted the position of secretary of the Institute of Industrial Relations, University of Toronto.

Aurora Nomination Date Nov. 25, Go To Polls Dec. 9

Aurora electors will go to the polls this year the earliest in the history of the municipality, if there is an election for any municipal office. Without a dissenting voice, Aurora town fathers approved setting nomination for Monday, Nov. 25, with the election date for council, school board and hydro commission set for Monday, Dec. 9, at the meeting Monday.

The new date provides two weeks between nomination and election date in place of the one week now prevailing. The possibility of a change in election dates had been toyed with by Aurora councillors for some years, but the present change is according to nomination speeches made last December and brings Aurora in line with most municipalities in the county.

Aurora hydro commissions had their salary set by council on Monday with their remuneration retroactive to Jan. 1. The chairman of the commission receives a flat salary of \$100, with each commissioner (the mayor is an ex-officio member) receiving \$5 per meeting. Originally, the suggestion was \$200 for the chairman and \$150 for each commissioner, but members of the council at the September meeting indicated they thought the figures should be in line with the amounts paid municipal councillors and they stuck to this on Monday night.

The public school board now remains the lone elected body in the municipality which has no salary. It was not until this year that the mayor and councillors received any pay.

Three war veterans, John Mathewson, Frank Patrick and William Langman, were granted the last three remaining town lots. Their application had been filed for some months, and the council is now faced with a further problem of dealing with other applications being filed by veterans equally entitled to land. No solution has as yet been arrived at.

GURNETT ST. WORK COSTS TOWN \$1,716

On recommendation of the town engineer, W. B. Redfern, a bill for \$1,716 rendered by A. E. Hawkins for the grading and construction of Gurnett St. and Kennedy St. west from Gurnett to Yong St. was approved. An additional figure of \$180 for work done for council by Mr. Hawkins was also approved. The original estimate for Mr. Hawkins' work had been \$1,100. Mr. Redfern pointed out. Engineer's fees for the project were set at \$140.80.

Another phase of the street extension was passed when council approved payment to Percy Preston of \$300 for a ten-foot strip extending over 100 feet on the south side of Kennedy St.

Council referred to the town foreman applications for water service within the municipality filed by Thomas Raeside and Ernest Faiers, and passed on to the committee the application of J. E. Tullock, Yonge St. south, for extension outside the town limits.

"The foreman reports he hasn't the materials on hand to extend the present lines," Clerk Harold Clark said.

"It is a serious matter when we can't deal with requests right in town," said the mayor. "The material situation doesn't look any better but we intend to serve those in town as soon as we can. Others outside town will have to wait their turn."

An account for concrete pipe for the newly created Cousins Dr. was passed in the general accounts amounting to \$316.80. Constable William Langman received a new uniform at a cost of \$53.90. Repairs to town electric motors damaged by the flood amounted to \$33.60, exclusive of re-winding.

A survey of the sewage situation on Harrison and Metcalfe Sts. was approved and Mr. Redfern will be consulted in the matter when he next comes to Aurora.

WARDEN TO SPEAK

Warden Fred G. Gardiner, K.C., will be the guest speaker at the Aurora Board of Trade "Municipal Night" in Trinity Parish hall on Oct. 17. Members of the councils of Newmarket, Richmond Hill, King, Whitechurch and Aurora will be guests of the Aurora board.

TO NAME WINNERS

On Thursday, Oct. 24, winners in the Aurora Lions club potato contest will be announced and the contestants will be feted by the club.

Sisman Workers Favor C.C.L. Union In Friday Vote

By a vote of 92-59, employees of the T. Sisman Shoe Co. on Friday voted to be represented by the National Union of Shoe and Leather Workers (C.C.L.) in their negotiations with the company. The majority in favor of the union was by five votes on paper as those who did not vote or were absent were marked in favor of the company in the final compilations, which stood at 92-87 for factory workers.

This marks the first time a union has been in effect at the Sisman plant since it began here nearly 40 years ago. The ballot was supervised by the Labor Relations Board of the Ontario government. The plant union has been in existence only a few months.

By a vote estimated at six to one, employees of the Collis Leather Co. voted to accept the agreement negotiated by Local 27 of the N.U.S.L. (C.C.L.), with the firm. The agreement provides among other things the following:

1. Wage increase of five to 15 cents per hour for time-workers and same proportionate increases for piece-workers.
2. A five-day week with Saturday off comes into effect with a 45-hour week, with time and a half for any over-time work over 45 hours, or nine hours a day.
3. Two statutory holidays with pay and after ten years, an extra day of holidays for each year of service and two full weeks of

Teen-Agers Keep Joint Jumping At Opener

Three hundred and seventy-four teen-agers stomped and jumped to the music of Cy. McLean and his Debonaires at the first fall session of the Aurora teenage club last Thursday night in the high school. Visitors were present from Streetsville, Newmarket, Richmond Hill and Bradford, and the gathering was honored with the presence of many parents and civic officials. A lift, hand painted by Frances Moore, was presented to band leader McLean. Councillor R. V. Smith, the club organizer, was master of ceremonies.

Sr. Championship At Aurora High Won By Bill Mundell

Annexing eight firsts and two seconds, Bill Mundell, one of Aurora's best all-round athletes, took the senior championship of Aurora high school last Friday. Mundell failed to crack any existing records but gave a fine all-round display. Marie Wilson narrowly bested Jolyne Doolittle for the girls' senior honors. Bing McKibbin took the intermediate boys' championship with John King as runner-up. The competition in this class was particularly keen, seven different winners turning up for the 11 events. David Crysdale broke the existing mark in the shot put, heaving the weight 38' 10". Dorothy Martin took the intermediate girls' individual award with Barbara Case trailing close.

Three records fell in the junior classes. Cienwen Calder, who won the junior girls' crown, leaped 13' 7" in the running broad jump, while Ann Stephenson, the runner-up, hurled the baseball 133', her mark almost equalling the senior winners' distance. Jim Roffey took the junior boys' championship, scoring four firsts in seven events. Bob Bull, the runner-up, broke the standing broad jump record as he went 7' 11 1/2" to break a long standing mark.

The weather was perfect for the occasion and a large number of spectators applauded the efforts of the colorful athletes. The green team, captained by Jolyne Doolittle and Jack Monkman, won the team honors with the white team under the captainship of Keith Kyle and Marie Wilson in second place.

Indications are that Aurora could have fielded a strong team for inter-school competition this season if the meet had been held as expected.

EXPECT 25 ENTRIES IN OCT. 14 CYCLE RACE

The ten-mile road race sponsored by the Aurora Cycling club will start at 2.30 p.m. from Wellington and Victoria Sts. on Thanksgiving Day. At the request of the Canadian Wheelman's Association, in place of having the race closed to North York competitors, the Aurora officials have allowed riders from all over Ontario to attend and boosted prizes accordingly. It is pointed out that riders in the city find it difficult now to get competition and the Aurora club is anxious to assist in a comeback of this sport. William Elder, C.W.A., and other prominent officials will be present for the occasion. The course runs to the third of Whitechurch on Wellington with two round trips being made. The handicaps have been well worked out and all riders will be on even footing as a result. Around 25 riders are expected to face the starter.

Lions Give \$250 Towards Financing V.O.N. Nurse Here

Aurora Lions club have voted the sum of \$250 towards the 1946 expenses of the Aurora Victorian Order Nurse. With the grant of \$500 from the Aurora town council, this makes a total of \$750 contributed in addition to memberships secured, and the success of the organization seems well assured in its initial stages.

Miss Marjorie MacIntosh, the new nurse, was welcomed to Aurora last week and a reception was held in her honor by the V.O.N. chairman, Mrs. L. C. Lee, on Thursday.

So far little work has been done, as Miss MacIntosh becomes familiar with local conditions. The business telephone of the V.O.N. is announced as 361 temporarily and the home address is 269. The work of renovating the new office is progressing with John Bak doing the work and it will be ready for occupancy next week.

JUNIORS HOLD EARLY LEAD TO TAKE HILL

Aurora juniors fought their way into the North York midge finals last Thursday at Richmond Hill as they ousted Richmond Hill from further competition 6-4 in a well played contest. Aurora boys took an early lead and then had their hands full to keep pace with the Hill kids who never gave up trying to knot the count. Aurora was without rover Billy Mundell. Goal scorers for Aurora were W. Patrick (2), Doolittle, Brodie, H. Patrick, Nesbitt. Charlie Southwood played another brilliant game in goal.

AWARDS DIPLOMAS

T. A. M. Hulse presented 45 students of Aurora high school with the Grade 10 diplomas won last year for academic standing at the opening exercises of the school on Wednesday morning. Principal J. H. Knowles presided.

ONTARIO ROYAL COMMISSION ON FORESTRY PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN, in confirmation of the Advance Notice and Tentative Schedule which appeared in the press in the early part of September, that Public Hearings of the Ontario Royal Commission on Forestry will be held at the following times and places:

Sault Ste. Marie	Oct. 28 - 29	Courthouse	10 a.m.
Port Arthur	Nov. 1 - 2	Courthouse	10 a.m.
Kenora	Nov. 5 - 6	Courthouse	10 a.m.
Fort Frances	Nov. 8 - 9	Courthouse	10 a.m.
Geraldton	Nov. 12 - 13	Ukrainian Hall	10 a.m.
London	Nov. 18 - 19	County Council Chamber	10 a.m.
Cochrane	Nov. 25 - 26	High School Assembly Hall	10 a.m.
North Bay	Nov. 28 - 29	Courthouse	10 a.m.
Pembroke	Dec. 2 - 3	Town Hall	10 a.m.
Ottawa	Dec. 5 - 6 - 7	Courthouse	10 a.m.
Toronto	Dec. 9 - 10 - 11	University of Toronto Senate Chamber	10 a.m.

The Commission was appointed to investigate and report upon the forest resources of Ontario and their conservation, management and beneficial utilization for all purposes, including their relation to other basic industries, particularly farming, and their relation to recreation, soil conservation and waterways and water power.

Submissions are invited from persons or organizations who may wish to present relevant material at any of the above hearings. Such evidence may be presented orally, but the Commissioner would prefer same in the form of written briefs. It is desirable but not essential that such briefs be forwarded to the Secretary for study well in advance of the hearing at which they are to be presented.

It is requested that persons or organizations wishing to present oral evidence at any of the above hearings, submit their names to the Secretary, Ontario Royal Commission on Forestry, Administration Building, Long Branch Small Arms Plant, Toronto 14, Ontario, prior to such hearing.

W. H. HEWSON,

Secretary.

ince; Bruce Leighton and Silver Bennett; Bunny White; Rex Stimers, "The Lung," fresh from a broadcast over C.K.T.B. relayed by telephone; Clary "Old Observer" Settle; Bunny Morganson, roly-poly Toronto columnist; Percy Hill and Tom Taylor, most of the intermediate players in the North York league. You can always find oldtimers at the boxla tills. Fergus Thistles clamped down on intermediate honors, decisively beating Inglewood, which had just as decisively bested the North York all-stars before that.

Chuck VanZant did a double-header last Thursday night, appearing with his oldtime foursome to open the amateur bill, and then hopping home to M.C. the Newmarket girls' softball club party. It was a large evening for all concerned and ended a successful season in fitting fashion.

New Toronto Legion appears headed for the intermediate "B" title, being one up on Port Colborne with one to go. If the legion wins the title, nobody will be any happier about it than Jack "Ceegars" McDonald and his boys.

Marg McCannan, for the second straight year, is the second-sacker on the Ontario senior women's champions. Strange as it may seem, there are three crowns decided at Sunnyside. The first is the trip to Cleveland, second, the right to compete for the Ontario crown, third, the Olympic league championship. Last year, Marg missed the trip to the States but ended up on the Ontario champions. Changing teams this year, she had the same experience. In the series against Brantford, the Newmarket gal had her batting eye on.

What are the district hockey plans? That's the 564 question bothering most team managers right now and some of them

have appealed to this corner to place the question before those interested, including fans, players, and executives. Intermediate teams especially want to get the business of organization over.

Bert Ward and the Newmarket Vets figure on having another big team and hope to be in the O.H.A., either in an O.H.A. group or as part of a town league set-up which has an affiliation with the O.H.A. and the right to send its winner into the O.H.A. series.

Richmond Hill by way of Norman Boore, has already indicated that it will seek a berth in the Aurora town league this winter, and is hoping for a chance at intermediate honors. Richmond Hill had a fairly good team last winter and will be better this season. Combines, winners of the Hill league last winter, will also seek entry into the Aurora loop. Aurora, of course, will be short the R.C.O.C. entry which has iced a team the past four years but only of them a contender. Vandorf is expected back, but President Herb Holman would like to hear from Zephyr and Ballantrae as to their intentions before too long.

The entire Newmarket league is intact except for the camp. Merchants, Vets and Roche's Point are ready to go again, although the latter will need a lot of strengthening. We would be pleased to hear from the fans and all those concerned as to what they want for the winter season. A decision this month would clear the picture and allow the necessary spade work by way of players, equipment and grouping to be worked out. We presume that as usual the matter will not be decided until the last minute.

Rumor has it around Lansing that George Stark, ex-Aurora junior and one of the best players in the mercantile ranks, is slated to head for Newmarket shortly and a spot with the Newmarket vets' team. The vets are also interested in getting a top-flight netminder to aid Pete Dillman.

Joint McComb is training these days with Providence Reds at Shawinigan Falls in Quebec province and going great guns in the pre-season workouts. Ronnie Rowe, ex-Markham junior and intermediate player, after three years with the navy teams, appears to have cinched a place with Hershey Bears of the American Hockey League. Jack Ingoldsby, ex-Brampton camp and Toronto Leafs, has settled in Georgetown and will play his hockey there this winter. Del Beaumont, ex-Aurora junior, has waved away all minor pro offers and will again be with Georgetown, where he has a good job, lives close to home and is well satisfied. Ormie Carter, ex-Milton junior, is a new member of the Georgetown team, which will hit the ice early next month at Ravina rink.

Flash Hollett, having retired from the pro ranks, has turned his attention to coaching and will look after the Stafford team in the senior O.H.A. this winter. The ex-Keswick softballer replaces Red Horner, and he should be able to do a good mentoring job. There will be quite a lot of local interest riding with the Toronto team this winter, for listed to perform with them are such old favorites as Chuck Shannon, Don Wilson, Normie Mann, Tommy Jamieson, Pete Donkin to name but a few.

It was a narrow squeak for the swimming pool project at Orangeville. The voters went to the polls recently and the count was only 271 to 264 in favor of the plan. The work will go on, but it seems a shame to have public opinion so evenly divided on a matter of such importance to the life of the community.

In case you think the Newmarket Recreation Council has shelved or forgotten the idea of a community swimming pool for "the flub", you're kidding yourself. Two or three of the members have told me they intend to tackle the matter before next spring rolls around. A good public relations campaign can put the idea over.

Wonder what became of that plan for artificial ice for Newmarket arena? Just as well to have forgotten it for 1946-47 so far as building is concerned. Simcoe and Peterborough, with the needed money all raised, have had to pass over the idea because of the scarcity of building materials. While materials may be hard to get, we doubt if it will ever be as easy to raise dough so fast as in 1940. Peterborough raised the sum of \$300,000 in nine days. Those interested in artificial ice at Newmarket should bear this in mind.

We hope somebody will plan for more outdoor rinks in the district this year. Experience has already proved that the present facilities can't begin to meet all the demands for skating and hockey. The arenas will face the busiest year yet in 1947.

The youth council at Richmond Hill has wisely enough decided to provide an open air rink for their own members this year, and other groups might well follow suit. By the way, the Hill have set a mark for the other centres to shoot at by deciding to spend \$3,800 for a composition floor in the arena to provide dancing, basketball, and other community endeavors. It'll be installed shortly.

Bob Dales, former Stouffville

baseballer now in Nova Scotia, has been honored with the appointment as Maritimes supervisor for the Bank of Nova Scotia. Never did get around to giving a fanfare for Yorky Smith, who handled the coaching job for Stouffville juniors in the play-offs. Yorky, in case you've forgotten, was one of the better Stouffville hurlers. He also did some twirling in Toronto to so the Stouffville kids didn't exactly lack for some inside baseball information.

Glad to see the return of Clifford Chapman to Aurora. A few years ago "Chappie" was one of Ontario's most promising cyclists (He's still pretty sharp). He is a great booster for minor sports, and was one of those responsible for the organization of the present Aurora midget lacrosse team. In his short stay at Alliston, he plunged into community work with a will and had a kid's lacrosse team all organized and equipped ready to play. The folks up Alliston way were sorry to see him leave.

Strangest accident of the sporting year comes from Thornton-Ty of the Centre Simcoe district, where pitcher Wilf Davis sustained a broken arm in a baseball game on his own effort. Davis wound up, came down with his pitching hand, and heard it snap as he delivered the ball. They say it happened once before that way in a district game at Barrie, but we don't recall a similar incident happening here. Next Monday (next Monday we said, son), being Thanksgiving Day, you can all have a lot of fun at Aurora. Jack Offord has his big cycling

race all ready to go as 230 chimed from Victoria and Wellington Sts. The boys will ride to the third concession and back, two round trips, and there'll be outside riders from Toronto competing with a fine array of prizes. No admission charge and a large part of the race in the view of the spectators.

KETTLEBY Rev. H. Hardy To Speak At Thanksgiving Service

Mr. and Mrs. John Little and family spent Sunday in Stouffville with Mrs. Little's parents, Mr. and Mrs. Robert Johnson.

Special thanksgiving services will be held Sunday, Oct. 13, at the Baptist church.

Rev. H. B. Hardy, Toronto, will be the guest speaker, with special music by the choir at the 11 a.m. service. Miss Margaret McCluer, Toronto, will be guest soloist. At 7:30 p.m. Schomberg United church choir will be in charge of the music.

PLEASANTVILLE

**Make Presentations To
Couple Leaving Here**

The Willing Workers met last
Wednesday at the home of Mrs.
Ed. Johnston. A pot-luck dinner
was served, and just before the
members left the dinner table,
Mrs. Jas. Hope read an appropri-
ate address and Mrs. G. Mc-
Clure presented the president,
Mrs. A. Needler, with a purse
and silk scarf. Mrs. Needler
was surprised but thanked all
for their kindness and said she
was sorry to have to leave the
group. During the afternoon a
quilt was completed.

The Pine Orchard Union
church services were well at-
tended on Sunday. In the after-
noon Rev. R. R. McMath gave
the message and in the evening,
Rev. E. Morton, Stouffville. The
choir, under the leadership of
Mrs. A. Colville and Mrs. Wood,
pianist, gave special music.

Friday night 50 friends and
neighbors gathered at the home
of Mr. and Mrs. A. Needler and
again it was a complete surprise
to them. Mrs. G. McClure acted
as chairman. A small program
was enjoyed by all, after which
Mrs. A. Colville read an address
and Mrs. Harry Hunt presented
them with an electric table
lamp. Mr. and Mrs. Needler
will be missed as they will reside
in Newmarket.

The Bogartown Institute will
meet on Oct. 15 at the home of
Mrs. Chas. Hunt. Members are
asked to come prepared to pay
the 50-cent fee. They are also
asked to be ready with their de-
cision about the bus trip to the
museum in Toronto.

Over 70 were present at the
annual church supper and busi-
ness meeting on Monday night at
the home of Mr. and Mrs. Jas.
Hope. All committees reported a
good balance and the mortgage
on the new Union church has
been completely paid for. This
has been accomplished during
the past two years.

Mrs. Ralph Willis, Toronto, at-
tended the Union church ser-
vices on Sunday, visiting Mrs.
Chas. Toole on Monday.

Mr. and Mrs. R. Patterson,
Newmarket, were Sunday guests
of Mr. and Mrs. G. Hunt.

Miss Eira Toole had Sunday
tea with Miss Dora McClure.

KESWICK

**Active Church Worker
Dies Suddenly Sept. 27**

Mrs. Della May Mahoney Con-
nell died suddenly at her home
in Keswick Sept. 27. Rev. Gor-
don Lapp, assisted by Rev.
Fockler of Maple and W. P.
Fletcher of Oshawa, conducted
the service in the Keswick Uni-
ted church Sept. 30. Interment
was in Queensville cemetery.

Pallbearers were J. Gable, W.
Brown, R. Stork, E. Winch, J.
Baines and W. Prosser.

An active member of the Uni-
ted church, Mrs. Connel took part
in the affairs of the choir and
Sunday-school. Missions and
charity work attracted her inter-
est but her life was chiefly
bound up in her home and fam-
ily.

She was born Feb. 20, 1888,
the daughter of the late Mr. and
Mrs. Thomas Mahoney of Bel-
haven.

Surviving besides her husband
are two sons, N. Leon, Keswick,
Cpl. M. Royden, London, Eng.,
and two daughters, Patti E. and
Lillian L., both in the University
of Toronto, two brothers,
Percy and Stanley, and two sis-
ters, Mrs. R. J. Pollock and Mrs.
Stanley Cook. A sister, Mrs.
Ivan Folliott, and a brother,
Carson, predeceased her.

The United church is holding
its anniversary services on Oct.
20. Capt. Warling of India and
Toronto is expected to be the
guest speaker.

KESWICK

**MRS. PARRY MORTON

Amateur Shows Pack Newmarket Town Hall

The amateur show, sponsored by the Newmarket Veterans' Association on behalf of Newmarket W.I., played to full houses last Thursday and Friday.

Mrs. Helen Hannivan, elocutionist, was awarded top honors at the amateur show Thursday night in the town hall by judges Mrs. M. B. Seldon, Dick Mather and Basil McHale. Miss June Stoker with her eccentric dancing was runner-up. The King sisters, Toronto dancers, and Frank Bussarie, young trumpet soloist, took prizes in the juvenile section. The caperettes, Eleanor Hughson, Noreen Walker and John Giovannelli, all of Newmarket, took the Newmarket and district honors.

The King sisters, Toronto dancers, were winners of the grand open on Friday night with Verna Ferguson, Toronto singer, as runner-up. The Hillcock sisters, Georgetown, were the winners of the juvenile section. Eleanor, Nonie and John Giovannelli won the Newmarket and district honors. Marion and Donald Holstock, Mount Albert, and Rosemary Reid, Toronto, were awarded two consolation prizes, donated by Angus C. West, one of the judges. The other two judges were Miss Esther McGhee and Eugene McCaffrey.

EXPECTED HOME

Sgt. Fred Woodhouse, 24, son of Mr. and Mrs. Fred Woodhouse, Main St. N., is expected home from overseas this weekend. In the army for five years and overseas for all but four months, he saw service in Holland, France and Germany. He married a Dutch girl, Elizabeth Marie Beekink, last May.
Enlisting in the Queen's Own Rifles, Sgt. Woodhouse went overseas with the 1st Canadian Radar Battery and remained with it. A good athlete at Newmarket high school before enlisting, he taught physical training in England and in Germany and taught hockey in Holland. He was awarded a certificate signed by Field Marshal B. L. Montgomery for his service.

Congregation Welcomes Father T. J. McCabe

A reception and shower of household articles was held in the rectory of St. John's church Monday evening by the Catholic Women's League for the new rector, Father T. J. McCabe. Father McCabe was formerly pastor of St. Mary's parish in Brampton and padre at the military camp there. Many of the congregation were there to welcome Father McCabe and to assure him of their co-operation in his work in the parish.

LAST TOURNAMENT

The Thanksgiving Day fowl tournament will be the last tournament of the season for the Newmarket Lawn Bowling Club. Members are asked to arrange their rinks of four mixed players and give their entries to C. F. Willis or Mrs. Jack Booth. Bowling starts at 10 a.m. with two games in the afternoon.

TO DIRECT PLAYS

Miss Evelyn Denne, Chas. E. Boyd and Delbert Gibeay will each direct a one-act play in April for the Newmarket Dramatic Club. This automatically makes them members of the board of directors for the club.

MUSIC SOCIETY MEETS

The Newmarket Music Society met on Monday evening at King George school. It was decided that, at the start, choral work only would be attempted. Isha Goodman was elected director. The next meeting will be at King George school on Tuesday, Oct. 15, at 8 p.m.

ON ROAD TO RECOVERY

Miss Norma Anderson, formerly of Court St. and now a patient of Queen Alexander hospital, London, Ont., is recovering from a recent serious illness.

W.I. MEETS OCTOBER 17

The regular monthly meeting of the Newmarket branch of the Women's Institute will be held Thursday, Oct. 17, at the home of Mrs. Boardwin, 15 Niagara St. The district training school will give a demonstration on salads.

IN STYLE

Mrs. Styles: "I want a hat, but it must be in the latest style."
Shopman: "Kindly take a chair, madam, and wait a few minutes. The fashion is just changing."

B. M. COWIESON WEDS IN CITY

At an early evening wedding in Rogers Memorial church, Toronto, Reta, daughter of Mr. and Mrs. Albert Victor Hinde, became the bride of Bruce M. Cowieson, son of Mr. and Mrs. Arthur Lloyd Cowieson. The double-ring ceremony was performed by Rev. K. H. House. Wedding music was provided by Mr. J. Russell who presided at the organ and singing was by Mr. F. Dainty. The groom received his education in Aurora and served overseas with the R.C.A.F.

ORILLIA SCENE OF WEDDING

A pretty wedding was solemnized Saturday, Sept. 14, at the Church of the Guardian Angels in Orillia, when Madeline Dormody, formerly of Bishop Falls, Newfoundland, daughter of Mrs. Richard Dormody and the late Mr. Dormody, became the bride of Lorne Lewis Rose, son of Mr. and Mrs. R. C. Rose, Newmarket.

The bride wore a white satin gown with three-quarter length veil, and she carried a cascade of red roses and white gladioli. Her only attendant was her sister, Mrs. Frank McMillan, gowned in blue sheer with matching headdress and carrying pink roses and carnations.

Mr. Frank McMillan attended the groom.

Following the ceremony a reception was held in the garden at the Grey House, Atherly. The happy couple left for Niagara Falls and Buffalo, New York, the bride travelling in a powder blue dress with black accessories. They will reside in Toronto.

TO MAKE HOME IN SUTTON WEST

A quiet wedding was solemnized on Saturday, Sept. 21, at the United church manse, Sutton, when Irma Stevenson, eldest daughter of Mr. and Mrs. Herman Stevenson, Roche's Point, was united in marriage to Carson Fairbairn, youngest son of Mrs. Fred Fairbairn, Sutton, and the late Mr. Fairbairn.

Rev. E. A. Knechtel officiated. The bride chose a blue crepe dress with navy nylon trim and navy accessories and a corsage of red roses. Miss Dorothy Greer, Toronto, attended the bride, wearing a rosewood crepe dress with brown accessories and a corsage of pink roses.

Mr. Bruce Fairbairn was his brother's groomsmen.

A reception was held at the home of the bride's parents.

For travelling to eastern points the bride donned a cocoa brown tailored suit and light green topcoat with brown accessories.

They will reside in Sutton.

—Among guests who spent the weekend at the home of Mr. and Mrs. W. Adams were a niece, Miss Bonita Patterson, Pickering, Mr. James McKelvy, Barrie, and Mr. and Mrs. Harry Simpson and Lorraine, and Mr. Dick Allgood, all of Toronto.

—Mr. and Mrs. Len. Fuller and their daughter, Elizabeth Ann, arrived in Toronto Sunday morning. Mrs. Fuller is a sister of Mrs. Max Boag. Since being evacuated from Portsmouth, Eng., during the war, Mrs. Fuller and family had been living in Craik, Scotland. They arrived in Canada aboard the Cythia.

—Mrs. Walter Calvert, Miss Mona Dean, Mrs. Jack Beattie, and Mrs. Ross Caradonna are on a trip to Detroit where they will visit Mrs. Calvert's daughter, Mrs. George Smith.

—Mr. and Mrs. Wm. Dolan and Mr. and Mrs. Campbell Dolan and family visited Mrs. N. Yawman over the weekend.

—Mr. Michael McCaffrey, De La Salle College, Oaklands, Toronto, and a friend are intending to visit Mr. and Mrs. W. A. McCaffrey this weekend.

—Miss Kathleen Peel, Keswick, spent the weekend with her sister Mrs. Wm. Bosworth.

—Rev. and Mrs. Leonard E. Sparks and family spent the weekend in Paris.

—Mr. Howard Moore is visiting his brother, Oliver, and his two sisters, Mrs. Emily Smith and Mrs. Jennie Sweet, and a nephew and niece, Mr. and Mrs. Maurice LaVae of Birmingham, Michigan.

News On Recreation

By MICKEY SMITH
Recreation Director

Public school field day. Friday and Monday, the public schools held their annual field and track events. There are some very good runners and jumpers. We would like to see the three winners in each event compete against the winners at Aurora public school. This meet could be put on in the arena.

Soccer. The newly formed soccer league is going over big. The boys from Davis Leather are out in front and they sure looked good in their new sweaters. International Wood are in second place with the other four teams right behind them. Don't miss the big game on Friday night when the Legion meets the Vets. This will be the game of the season.

Rifle club. We are calling a meeting of those who are inter-

ested in forming a rifle club at the council chamber Wednesday night. Keep this night open. Checkers and Cribbage. We are looking for checker players also anybody who plays cribbage as we would like to get a league formed. If all you checkers and cribbage players will let us know, we will call a meeting in the near future. Call 287 after six if interested and let's name.
Rodeo. Don't forget to keep Nov. 11, 12 and 13 open for one of the largest rodeos in America at the Newmarket arena. This is an evening of entertainment for young and old, so keep these nights open.

OCT. 6-12 FIRE PREVENTION WEEK
Do Your Part!
One of the fastest and most destructive forces is fire. In no time at all fire can destroy your home and belongings—your business and future security. Precaution on the part of each individual can prevent overwhelming loss of life and property caused by fire. During Fire Prevention Week, October 6 to 12, be sure to inspect your home and business premises—and remove all fire hazards.
JOE BRAMMAR,
Fire Chief.
